Our services

In the context of the FMB 2016, you as an exhibitor have the exclusive possibility to be actively involved in shaping the event by holding a sector- and practice-related lecture on a subject of your choice. This is a unique opportunity to convey a useful presentation and to heighten your chances for additional value-added contacts.

At the price of €250, the following services are included:

- » Lecture room provided with seats for about 80 listeners in hall 21
- » Moderation and conference equipment (projector, screen)
- » Announcement of your lecture in the visitors newsletter of FMB (about 8,000 recipients), in the FMB Kompakt trade fair newspaper, in the exhibitor directory as well as on display boards in the halls of the exhibition centre
- » Call for Papers: Publication of the lecture programme and a short summary of your planned lecture on the website of FMB

Your lecture

Wednesday, 09 November 2016
free choice of topic

Thursday, 10 November 2016
Food and Industrial Automation

fully booked

The daily programme consists of two blocks (10 am to 12:30 pm resp. 1:30 pm to 4 pm). Each lecture will be 20 minutes long with an additional 5 minutes of discussion time with the audience.

Please let us know, which lecture time you want to book. The allocation of the lecture times is based on a "first come – first serve" principle. In case you want to book several time slots, you will have to mark each one of the individually.
